## Maine Uniform Building and Energy Code – Code Adoption Update

The State of Maine has amended the Maine Uniform Building and Energy Code adoption. Municipalities must enforce the newly adopted 2021 I-codes and corresponding standards for all projects submitted as of April 7, 2025.

As such by signing this form below you are stating you are aware of these changes and your project will conform to these new standards. If you need clarification on what those changes are please reach out to this office.
