

HIKING NORWAY PARKS AND RECREATION

Join Norway Parks and Rec every **Tuesday**, starting July 11th, for an 8- week long hiking group at 6pm. These hikes will start small and advance uphill as we progress. All ages are welcomed, we just ask that you have the ability to keep up with the group over varying terrain and distances. During hikes we will work on reading trail hiking maps, proper trail etiquette & leave no trace principles.
